Your Company Profile for the Website and Exhibition Catalogue

Complete and return this form via email as soon as possible but no later than: July 31 2020

The sooner we receive your profile, the sooner we can upload it to the website for visitors to see. Profiles received after July 31 2020 cannot be guaranteed inclusion in the Exhibition Catalogue.

An official Exhibition Catalogue will be available to all visitors and exhibitors during the event. Your company name, logo, address, telephone number, fax number, email address, website and stand number will be entered free of charge in the catalogue together with up to 100 words describing the products or services displayed on your stand. As well as the catalogue, these details will also be uploaded to the Paint & Coatings website as soon as we receive them. If possible, please send us your 100-word profile in **Spanish and English**, so that we can upload them to the Spanish language and English language websites.
