It is important to be certain that the list of companies who will participate at PAINT & COATINGS is as complete and accurate as possible. This will ensure that exhibition visitors can be advised accordingly. We would be pleased therefore to hear if there are any companies who will be **sharing** your stand at the exhibition. Please complete and return this form as soon as possible. (The details below will be added to the PAINT & COATINGS website. So please make sure they are correct).
